

## Before Starting the Project Application

**To ensure that the Project Application is completed accurately, ALL project applicants should review the following information BEFORE beginning the application.**

Things to Remember:

- Additional training resources can be found on the HUD.gov at [https://www.hud.gov/program\\_offices/comm\\_planning/coc](https://www.hud.gov/program_offices/comm_planning/coc).
- Questions regarding the FY 2021 CoC Program Competition process must be submitted to [CoCNOFO@hud.gov](mailto:CoCNOFO@hud.gov).
- Questions related to e-snaps functionality (e.g., password lockout, access to user’s application account, updating Applicant Profile) must be submitted to [e-snaps@hud.gov](mailto:e-snaps@hud.gov).
- Project applicants are required to have a Data Universal Numbering System (DUNS) number and an active registration in the Central Contractor Registration (CCR)/System for Award Management (SAM) in order to apply for funding under the Fiscal Year (FY) 2021 Continuum of Care (CoC) Program Competition. For more information see FY 2021 CoC Program Competition NOFO.
- To ensure that applications are considered for funding, applicants should read all sections of the FY 2021 CoC Program NOFO.
- Detailed instructions can be found on the left menu within e-snaps. They contain more comprehensive instructions and so should be used in tandem with navigational guides, which are also found on the HUD Exchange.
- Before starting the project application, all project applicants must complete or update (as applicable) the Project Applicant Profile in e-snaps, particularly the Authorized Representative and Alternate Representative forms as HUD uses this information to contact you if additional information is required (e.g., allowable technical deficiency).
- Carefully review each question in the Project Application. Questions from previous competitions may have been changed or removed, or new questions may have been added, and information previously submitted may or may not be relevant. Data from the FY 2019 Project Application will be imported into the FY 2021 Project Application; however, applicants will be required to review all fields for accuracy and to update information that may have been adjusted through the post award process or a grant agreement amendment. Data entered in the post award and amendment forms in e-snaps will not be imported into the project application.
- Rental assistance projects can only request the number of units and unit size as approved in the final HUD-approved Grant Inventory Worksheet (GIW).
- Transitional housing, permanent supportive housing with leasing, rapid re-housing, supportive services only, renewing safe havens, and HMIS can only request the Annual Renewal Amount (ARA) that appears on the CoC’s HUD-approved GIW. If the ARA is reduced through the CoC’s reallocation process, the final project funding request must reflect the reduced amount listed on the CoC’s reallocation forms.
- HUD reserves the right to reduce or reject any renewal project that fails to adhere to 24 CFR part 578 and the application requirements set forth in the FY 2021 CoC Program Competition NOFA.

## Information About Submission without Changes

Follow the instructions below making note of the exceptions and limitations to the “Submit Without Changes” process.

In general, HUD expects a project’s proposed project application information will remain the same from year-to-year unless changes are directed by HUD or approved through the grant agreement amendment process. However, HUD expects applicants to carefully review their information to determine if submitting without changes accurately reflects the expiring grant requesting renewal.

Due to e-snaps limitations, only previously submitted renewal applications can import data into the FY 2021 renewal project application. The data from previously submitted new and renewal project applications can be imported into a FY 2021 renewal project application. The “Submit without Changes” process is not applicable for:

- first time renewing project applications
- a project application that did not import last FY 2019 information
- a project that had Issues or Conditions that were addressed in FY 2019 Post-Award and updates need to be reflected in the FY 2021 project application
- a project that had amendments approved in FY 2019 or FY 2020 that need to be reflected in the FY 2021 project application

e-snaps will automatically be set to “Make Changes” and all questions on each screen must be updated.

Renewal projects that brought forward data from FY 2019 and have either a Leasing budget, Operating budget or use HUD PAID RENTS (Actual Rents) instead of FMR MAY NOT use the “Submit Without Changes” process and e-snaps will automatically be set to “Make Changes”. All Leasing and Operating budgets, along with Rental Assistance budgets that use HUD PAID Rent will need to be updated in the application. Refer to the GIW posted on the HUD Exchange for accurate budget information on leasing and operating budgets and refer to the HUD PAID RENT document sent by your field office from HUD HQ to accurately set your rental assistance budgets that use HUD PAID rents. This will only impact the FY 2021 competition.

The e-snaps screens that remain “open” for required annual updates and do not affect applicants’ ability to select “Submit without Changes” are:

- Recipient Performance Screen
- Consolidation and Expansion
- Screen 3A. Project Detail
- Screen 6D. Sources of Match
- All of Part 7: Attachments and Certification; and
- All of Part 8: Submission Summary.

All other screens in Part 2 through Part 6 begin in “Read-Only” format and should be reviewed for accuracy; including any updates that were made to the 2019 or 2020 project during the CoC Post Award Issues and Conditions process or as amended. If all the imported data is accurate and no edits or updates are needed to any screens other than the mandatory screens and questions noted above, project applicants should select “Submit Without Changes” in Part 8. If project applicants imported data and do need to make updates to the information on one or more screens, they must navigate to Part 8: “Submission Without Changes” Screen, select “Make Changes”, and check the box next to each relevant screen title to unlock screens for editing. After project applicants select the screens they intend to edit via checkboxes, click “Save” and those screens will be available for edit. Once a project applicant selects a checkbox and clicks “Save”, the project applicant cannot uncheck the box.

Please refer to the Detailed Instructions found on the left side menu of e-snaps or hud.gov to find more in depth information about applying under the FY 2021 CoC Competition.

## Recipient Performance

**1. Did you submit your previous year's Annual Performance Report (APR) on time?** Yes

**2. Do you have any unresolved HUD Monitoring or OIG Audit finding(s) concerning any previous grant term related to this renewal project request?** No

**3. Do you draw funds quarterly for your current renewal project?** Yes

**4. Have any funds remained available for recapture by HUD for the most recently expired grant term related to this renewal project request?** Yes

**4a. If HUD recaptured funds provide an explanation.**

There were unexpended funds in Supportive Services (Case Management) because the employee in this position was promoted to RRH Supervisor. The RRH Supervisor was then only billed at 21% to this grant as that is percentage of time spent overseeing the clients and staff on this grant.

## **Renewal Grant Consolidation or Renewal Grant Expansion**

The FY2021 CoC Competition will continue offering opportunities to expand or consolidate CoC projects. A few changes have occurred that differentiate the process from FY 2019.

1. Expansions and Consolidations will submit individual applications.
  - a. Expansions will ONLY submit a Stand-Alone Renewal application and a Stand-Alone New application.
  - b. Consolidations will ONLY submit individual renewal project applications, identifying the renewal application that will survive, and the renewal applications that will terminate. Up to 10 grants may be included in a consolidation.
  
2. HUD HQ will combine the data (e.g., units, budgets) for Expansion or Consolidation requests from the individual project applications selected for conditional award and provide a data report with further instructions for the field office and conditional recipient.

**1. Is this renewal project application No requesting to consolidate or expand?**

If "No" click on "Next" or "Save & Next" below to move to the next screen.

### 3B. Project Description

**1. Provide a description that addresses the entire scope of the proposed project.**

Dawning Family Services' (DFS) Rapid Rehousing Program for families on the Coordinated Entry System list and rapid exit from shelter adheres to the Housing 1st model of homeless services: helping families access/sustain permanent rental housing as quickly as possible; promoting housing stability on an as-needed, voluntary basis; and employing a standard lease agreement.

DFS is requesting funding in the amount of \$393,550 to continue the employment of 1 FTE Housing Case Manager (CM) and 1 FTE Housing Supervisor (HS) (billed at .25 FTE) to cover their salaries and fringe, mileage, cell phone reimbursement, and indirect costs; provide rental/utility assistance to families, and offset admin costs. The overall cost of providing RRH services per family is estimated at \$18,740.

DFS will provide RRH services to 21 families during the grant term. Knowing some families will achieve sustainability earlier, thereby freeing up resources to help others, it is expected that our RRH Program will serve even more than 21 families for the duration of this contract. DFS RRH program participants will be eligible to locate housing of their choice in the private rental market for an efficiency, 1, or 2-bedroom apartment depending on the size and composition of their families.

The project outcome targets are: 85% of families served will exit to a positive housing destination; 50% of persons served will move into housing within 60 days entry; 10% of adults will increase their earned income from entry to exit; and 15% of adults will increase total income from entry to exit.

The HS is responsible for overseeing the Case Management team in their efforts to assist households through our rapid rehousing programs. The HS guides the Case Manager in following program policies and procedures, enrolling clients in the proper program, and in providing housing search and support services to families to ensure housing sustainability.

The CM will be responsible for providing housing search assistance and support services to include building skills to increase income, referrals to community agencies, and other services as needed to ensure sustainability and stability. The CM will also ensure eligibility for the program and complete all required paperwork with the families. The CM is certified in HUD Housing Quality Standards (HQS) and will ensure that the housing units meet these standards.

DFS partners with 100+ nonprofit and government agencies to deliver no-cost services for our homeless neighbors, including those made as part of this proposal. Community partners include Feeding Tampa Bay, Bay Area Legal, Gracepoint, Children's Board, Early Learning Coalition, The Spring, Crisis Center, Hillsborough County Schools, United Way, Career Source and others. Faith communities/civic groups also provide financial and volunteer support.

**Describe the unlisted subpopulations referred to above:**

The unlisted subpopulations referred to above include Households With Children who are included on the Coordinated Entry System list. For the most part, their incomes are Extremely-Low, Very-Low, or Low. While these households may present with another characteristic, such as substance abuse/mental health, persons with HIV/AIDS, physical disability, or developmental disability, these are not the basis for participation in the program. We expect to serve a small population of persons fleeing domestic violence, as indicated in 3B, Q2a.

Notable about the population of Adults Ages 18 – 24 (the heads of households of these RRH program participants) is that they are parenting adults, often without education or skill-set to appreciably increase their incomes. They tend to struggle to find and maintain work, especially taking into consideration that they are trying to coordinate appropriate child care for their babies and to access transportation to potential/current employment. To its credit, DFS has a decades' long history – dating back to 1981 - of successfully working with this discrete population, helping young parents to navigate their paths to full adulthood.

Dear Taxpayer:

We're responding to your request dated Apr. 16, 2019, about your tax-exempt status.

We issued you a determination letter in September 1986, recognizing you as tax-exempt under Internal Revenue Code (IRC) Section 501(c)(3).

We also show you're not a private foundation as defined under IRC Section 509(a) because you're described in IRC Sections 509(a)(1) and 170(b)(1)(A)(vi).

Donors can deduct contributions they make to you as provided in IRC Section 170. You're also qualified to receive tax deductible bequests, legacies, devises, transfers, or gifts under IRC Sections 2055, 2106, and 2522.

In the heading of this letter, we indicated whether you must file an annual information return. If you're required to file a return, you must file one of the following by the 15th day of the 5th month after the end of your annual accounting period:

- Form 990, Return of Organization Exempt From Income Tax
- Form 990EZ, Short Form Return of Organization Exempt From Income Tax
- Form 990-N, Electronic Notice (e-Postcard) for Tax-Exempt Organizations Not Required to File Form 990 or Form 990-EZ
- Form 990-PF, Return of Private Foundation or Section 4947(a)(1) Trust Treated as Private Foundation

According to IRC Section 6033(j), if you don't file a required annual information return or notice for 3 consecutive years, we'll revoke your tax-exempt status on the due date of the 3rd required return or notice.

You can get IRS forms or publications you need from our website at [www.irs.gov/forms-pubs](http://www.irs.gov/forms-pubs) or by calling 800-TAX-FORM (800-829-3676).

If you have questions, call 877-829-5500 between 8 a.m. and 5 p.m.,
