## **Before Starting the Project Application**

To ensure that the Project Application is completed accurately, ALL project applicants should review the following information BEFORE beginning the application.

#### Things to Remember:

- Additional training resources can be found on the HUD.gov at https://www.hud.gov/program offices/comm planning/coc.
- Questions regarding the FY 2021 CoC Program Competition process must be submitted to CoCNOFO@hud.gov.
- Questions related to e-snaps functionality (e.g., password lockout, access to user's application account, updating Applicant Profile)must be submitted to e-snaps@hud.gov.
- Project applicants are required to have a Data Universal Numbering System (DUNS) number and an active registration in the Central Contractor Registration (CCR)/System for Award Management (SAM) in order to apply for funding under the Fiscal Year (FY) 2021 Continuum of Care (CoC) Program Competition. For more information see FY 2021 CoC Program Competition NOFO.
- To ensure that applications are considered for funding, applicants should read all sections of the FY 2021 CoC Program NOFO.
- Detailed instructions can be found on the left menu within e-snaps. They contain more comprehensive instructions and so should be used in tandem with navigational guides, which are also found on the HUD Exchange.
- Before starting the project application, all project applicants must complete or update (as applicable) the Project Applicant Profile in e-snaps, particularly the Authorized Representative and Alternate Representative forms as HUD uses this information to contact you if additional information is required (e.g., allowable technical deficiency).
- Carefully review each question in the Project Application. Questions from previous competitions may have been changed or removed, or new questions may have been added, and information previously submitted may or may not be relevant. Data from the FY 2019 Project Application will be imported into the FY 2021 Project Application; however, applicants will be required to review all fields for accuracy and to update information that may have been adjusted through the post award process or a grant agreement amendment. Data entered in the post award and amendment forms in e-snaps will not be imported into the project application.
- Rental assistance projects can only request the number of units and unit size as approved in the final HUD-approved Grant Inventory Worksheet (GIW).
- Transitional housing, permanent supportive housing with leasing, rapid re-housing, supportive services only, renewing safe havens, and HMIS can only request the Annual Renewal Amount (ARA) that appears on the CoC's HUD-approved GIW. If the ARA is reduced through the CoC's reallocation process, the final project funding request must reflect the reduced amount listed on the CoC's reallocation forms.
- HUD reserves the right to reduce or reject any renewal project that fails to adhere to 24 CFR part 578 and the application requirements set forth in the FY 2021 CoC Program Competition NOFA.

## **Information About Submission without Changes**

Follow the instructions below making note of the exceptions and limitations to the "Submit Without Changes" process.

In general, HUD expects a project's proposed project application information will remain the same from year-to-year unless changes are directed by HUD or approved through the grant agreement amendment process. However, HUD expects applicants to carefully review their information to determine if submitting without changes accurately reflects the expiring grant requesting renewal.

Due to e-snaps limitations, only previously submitted renewal applications can import data into the FY 2021 renewal project application. The data from previously submitted new and renewal project applications can be imported into a FY 2021 renewal project application. The "Submit without Changes" process is not applicable for:

- first time renewing project applications
- a project application that did not import last FY 2019 information
- a project that had Issues or Conditions that were addressed in FY 2019 Post-Award and updates need to be reflected in the FY 2021 project application
- a project that had amendments approved in FY 2019 or FY 2020 that need to be reflected in the FY 2021 project application

e-snaps will automatically be set to "Make Changes" and all questions on each screen must be updated.

Renewal projects that brought forward data from FY 2019 and have either a Leasing budget, Operating budget or use HUD PAID RENTS (Actual Rents) instead of FMR MAY NOT use the "Submit Without Changes" process and e-snaps will automatically be set to "Make Changes". All Leasing and Operating budgets, along with Rental Assistance budgets that use HUD PAID Rent will need to be updated in the application. Refer to the GIW posted on the HUD Exchange for accurate budget information on leasing and operating budgets and refer to the HUD PAID RENT document sent by your field office from HUD HQ to accurately set your rental assistance budgets that use HUD PAID rents. This will only impact the FY 2021 competition.

The e-snaps screens that remain "open" for required annual updates and do not affect applicants' ability to select "Submit without Changes" are:

- Recipient Performance Screen
- Consolidation and Expansion
- Screen 3A. Project Detail
- Screen 6D. Sources of Match
- All of Part 7: Attachments and Certification; and
- All of Part 8: Submission Summary.

All other screens in Part 2 through Part 6 begin in "Read-Only" format and should be reviewed for accuracy; including any updates that were made to the 2019 or 2020 project during the CoC Post Award Issues and Conditions process or as amended. If all the imported data is accurate and no edits or updates are needed to any screens other than the mandatory screens and questions noted above, project applicants should select "Submit Without Changes" in Part 8. If project applicants imported data and do need to make updates to the information on one or more screens, they must navigate to Part 8: "Submission Without Changes" Screen, select "Make Changes", and check the box next to each relevant screen title to unlock screens for editing. After project applicants select the screens they intend to edit via checkboxes, click ""Save"" and those screens will be available for edit. Once a project applicant selects a checkbox and clicks ""Save", the project applicant cannot uncheck the box.

Please refer to the Detailed Instructions found on the left side menu of e-snaps or hud.gov to find more in depth information about applying under the FY 2021 CoC Competition.

  - 4. Have any funds remained available for Yes recapture by HUD for the most recently expired grant term related to this renewal project request?
    - 4a. If HUD recaptured funds provide an explanation.

Over 98 % of the grant was expended. However, lower costs for utility deposits, staff turnover and staff vacancies throughout the contract term, funds for supportive services were available for HUD recapture.

# Renewal Grant Consolidation or Renewal Grant Expansion

The FY2021 CoC Competition will continue offering opportunities to expand or consolidate CoC projects. A few changes have occurred that differentiate the process from FY 2019.

1. Expansions and Consolidations will submit individual applications.

a. Expansions will ONLY submit a Stand-Alone Renewal application and a Stand-Alone New application.

b. Consolidations will ONLY submit individual renewal project applications, identifying the renewal application that will survive, and the renewal applications that will terminate. Up to 10 grants may be included in a consolidation.

2. HUD HQ will combine the data (e.g., units, budgets) for Expansion or Consolidation requests from the individual project applications selected for conditional award and provide a data report with further instructions for the field office and conditional recipient.

# 1. Is this renewal project application No requesting to consolidate or expand?

If "No" click on "Next" or "Save & Next" below to move to the next screen.

## 3B. Project Description

# 1. Provide a description that addresses the entire scope of the proposed project.

Gracepoint is an active member of the Continuum of Care (CoC) and is dedicated to making homelessness rare, brief, and non-recurring in our community. Gracepoint's HOME 3-PHAME dedicated plus program provides scattered site permanent supportive housing in Hillsborough County with rental assistance, utility assistance, and essential services for 94 households, with and without children, who are experiencing chronic or long term homelessness, or have a diagnosed mental illness. Essential services provided include, but are not limited to: case management, outpatient health services (behavioral and primary care), emergency health services, housing search assistance, SOAR services, education services, referrals to community resources, transportation assistance, and food resources. HOME 3-PHAME aims to ensure households served are successful in maintaining housing stability and self-sufficiency. Essential services offered are utilized to assist households in identifying needs as well as accessing resources to meet individual/household goals. Using the Housing First approach, HOME 3-PHAME focuses on quickly linking individuals/families to permanent housing with minimal barriers to entry. Once stably housed, HOME3-PHAME case managers will assist with creating individualized treatment plans for clients to address their needs. Households enrolled in HOME 3-PHAME will have case managers that maintain weekly contact and complete at least 1 home visit per month.

The CoC Coordinate Entry process will be utilized to identify potentially eligible individuals while prioritizing those at highest risk first. The CoC Coordinated Entry process will be used to ensure the most vulnerable/highest priority individuals are screened for PSH. Household income must be at or below 50% AMI. The targeted population for HOME3-PHAME is individuals diagnosed with a severe mental illness; however, individuals with other disabilities such as substance abuse or a chronic physical illness are potentially eligible. There is no timeframe for length of participation as long as eligibility is maintained. Households are re- certified annually to ensure continued eligibility and goals are assessed regularly to ensure needs are identified and addressed. THHI frequently monitors project performance and outcomes to ensure quality service delivery.

Gracepoint's HOME 3-PHAME team includes a program supervisor, 6 full time case managers who are SOAR trained, and one part time SOAR specialist focusing solely on SOAR applications. In addition to being SOAR trained, HOME 3-PHAME employees also receive trainings in Evidenced-Based Practices such Motivational Interviewing and Trauma-Informed Care. The use of Evidenced-Based Practices increases quality and effectiveness of direct service delivery.

## 3C. Dedicated Plus

#### **Dedicated and DedicatedPLUS**

A "100% Dedicated" project is a permanent supportive housing project that commits 100% of its beds to chronically homeless individuals and families, according to NOFA Section III.3.b.

A "DedicatedPLUS" project is a permanent supportive housing project where 100% of the beds are dedicated to serve individuals with disabilities and families in which one adult or child has a disability, including unaccompanied homeless youth, that at a minimum, meet ONE of the following criteria according to NOFA Section III.3.d:

(1) experiencing chronic homelessness as defined in 24 CFR 578.3;

(2) residing in a transitional housing project that will be eliminated and meets the definition of chronically homeless in effect at the time in which the individual or family entered the transitional housing project;

(3) residing in a place not meant for human habitation, emergency shelter, or safe haven; but the individuals or families experiencing chronic homelessness as defined at 24 CFR 578.3 had been admitted and enrolled in a permanent housing project within the last year and were unable to maintain a housing placement;

(4) residing in transitional housing funded by a joint TH and PH-RRH component project and who were experiencing chronic homelessness as defined at 24 CFR 578.3 prior to entering the

project;

(5) residing and has resided in a place not meant for human habitation, a safe haven, or emergency shelter for at least 12 months in the last three years, but has not done so on four separate occasions; or

(6) receiving assistance through a Department of Veterans Affairs(VA)-funded homeless assistance program and met one of the above criteria at initial intake to the VA's homeless assistance system.

A renewal project where 100 percent of the beds are dedicated in their current grant as described in NOFA Section III.A.3.b. must either become DedicatedPLUS or remain 100% Dedicated. If a renewal project currently has 100 percent of its beds dedicated to chronically homeless individuals and families and elects to become a DedicatedPLUS project, the project will be required to adhere to all fair housing requirements at 24 CFR 578.93. Any beds that the applicant identifies in this application as being dedicated to chronically homeless individuals and families in a DedicatedPLUS project must continue to operate in accordance with Section III.A.3.b. Beds are identified on Screen 4B.

1. Is this project "100% Dedicated,"
"DedicatedPLUS," or "N/A"?
(Only select "N/A" if this project was originally awarded as a grant that did not have requirements to only serve persons experiencing chronic homelessness and meets the definition of "non-dedicated permanent supportive housing beds" in the NOFO Section III.C.2.p).

## **6E. Summary Budget**

The following information summarizes the funding request for the total term of the project. Budget amounts from the Leased Units, Rental Assistance, and Match screens have been automatically imported and cannot be edited. However, applicants must confirm and correct, if necessary, the total budget amounts for Leased Structures, Supportive Services, Operating, HMIS, and Admin. Budget amounts must reflect the most accurate project information according to the most recent project grant agreement or project grant agreement amendment, the CoC's final HUD-approved FY 2018 GIW or the project budget as reduced due to CoC reallocation. Please note that, new for FY 2018, there are no detailed budget screens for Leased Structures, Supportive Services, Operating, or HMIS costs. HUD expects the original details of past approved budgets for these costs to be the basis for future expenses. However, any reasonable and eligible costs within each CoC cost category can be expended and will be verified during a HUD monitoring.

Also, it is understood that the attached project list provides the information about projects being submitted and the number of households who will be eligible for Hillsborough County Health Care and that THHI and other community organizations will be arranging for case management and other community-based services to ensure access to the needed supports to obtain and retain housing placement; and, that care managers will be assisting with applications for disability income, Medicaid and other community resources as appropriate, including substance abuse treatment.

It is understood that the value of the health care received is used as match to support the project's CoC application to the U.S. Department of Housing and Urban Development and that THHI will have the responsibility for tracking access to these resources. The Hillsborough County Health Care Plan (HCHCP) is supported by sales tax revenues.

Hillsborough County is committed to making health care services available to persons at 138% of poverty level and below. Given that THHI and other community organizations will be offering services to persons with little or no income, Hillsborough County is committed to providing the match to the project listed below for the grant term indicated:
